## Stewardship Year-End Update!

As of Dec. 1, the church has received **142 sustaining giving commitments totaling \$624,000 for 2020**. We encourage everyone who is able to participate financially at any level in sustaining our church into the future and have some new giving opportunities! One of our newer members wants to **encourage new sustaining givers for 2020** and has generously offered \$50 for each of five new sustaining commitments received between now and Thurs., Dec. 12, up to \$250 total. Please complete a **2020 Commitment Card** and email it to **Kit Dunbar (kdunbar@fccb.org)** or update your **Realm account** online.

As the end of this year approaches, we also want to encourage you to fulfill your 2019 sustained giving and, if you are able, consider making a **year-end extra gift** to First Church which will help enormously in closing out the small deficit that we anticipate. Three church members have put up \$2,500 to match additional gifts for 2019. Contact **Kit Dunbar** to participate in this match or if you would like to add an additional matching challenge. Matches must be completed by Fri., Dec. 20. To learn more about giving to First Church, go to [www.firstchurchberkeley.org/give/](http://www.firstchurchberkeley.org/give/).

### Wait Actively

*“I believe that I shall see the goodness of the Lord in the land of the living. Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!”*

— Psalm 27:13-14, NRSV; (Taizé chant partially based on this Scripture: <https://youtu.be/s7GexIvX8HU>)

We live in an impatient age. The conveniences afforded to us by technology—whether it be on-demand home deliveries or hailing a ride with a few taps on our smartphones—seemingly threaten to atrophy our ability to wait.

I suspect, however, that we have been as impatient as we have always been. We are no better and no worse at managing the uncertainty of waiting. Rather, it is the posture of our waiting that we must change: we must learn to wait actively, not passively.

When we wait passively, we not only expect instant gratification, but also 100% satisfaction. It is true that technology has made that possible in so many areas of our lives. But it has warped our expectations in so many other ways. Technology by itself cannot create the lives we believe we deserve. It will not mend the relationships we want to heal. We will ultimately be disappointed if we expect to wait passively and expect miracles to come to us.

Waiting actively is infinitely harder. It demands that we “be strong, and let [our] heart[s] take courage.” It requires daily cultivation of healthy habits. What we desire may not even turn out to be the result that happens, no matter how much effort and time we invest. But when the Lord comes, so to speak, a posture of active waiting will allow us to respond appropriately.

When I reread the Psalm quoted above, I was struck as never before by the psalmist’s conviction that the goodness of God is already with us, even when we may not see it yet. Even if we cannot know what is to come, our waiting will not preclude the kin-dom of God being formed here on Earth.

All we must do is to take courage and be strong.

*Thank you to everyone who decked our Hall of Entrance & Sanctuary with holiday cheer last Saturday!*

## Blue Christmas Service

First Church offers a **Blue Christmas Service** on **Thurs., Dec. 19, at 6 pm** on the **Chancel** in the **Sanctuary**.

This service gives us room to acknowledge grief, overwhelm, loneliness, and other feelings that don't ordinarily fit into the season of cheer. It will include

prayers (silent, written, spoken), Scripture, music, and healing rituals.

## Christmas Cookie Events!

**Care, Fellowship & Invitation Ministry** invites you to share your holiday hospitality at the following two fun holiday events:

**The Great Christmas Cookie Bake Off, Sat., Dec. 21, 1–4 pm, Durant House.** We will provide ingredients for a basic sugar cookie recipe

and you are invited to mix, bake, and decorate Christmas cookies to be shared with

our church family and guests at the **Christmas**

**Eve Service After Party.** You are also invited to bring recipes and additional ingredients for your own favorite holiday cookie or treat to make. All ages and baking abilities are welcome! Feel free to come and go as needed. It is a great way to share our delicious hospitality with others during this special time. Contact **Sara Woods** with any questions.

**Christmas Eve Cookie Fest After Party,** after the **Candlelight Christmas Eve service (10 pm, Dec. 24).** Look for inserts in the Order of Worship at regular Sunday worship services in December to sign up with your contribution of cookies and/or help. The Christmas season is a wonderful time to share your gifts with family, friends, neighbors, and guests. Help us make our final Christmas Eve service merry and bright with your gifts of confection. Contact **Pat Pratt** with any questions.

## Associate Minister Rev. Kit to Take Sabbatical in 2020

— *Rev. Kit Novotny*

Early next year, I'll be celebrating five years as one of your ministers here at First Church, which is both hard to believe, and yet, we have shared so much life together! My role has shifted considerably since I joined the staff in 2015, and this fall we officially updated my job title to more accurately reflect this evolution, from Young Adult Minister to the more expansive Associate Minister (although young adult ministry is still one of my primary arenas).

I am grateful to be eligible for my first ever sabbatical, which I plan to take in two parts, in hopes that my time away would be easier on the congregation and staff, and allow me to be present for Lent and Holy Week. Part one is coming right up in January and February (Jan. 2–Mar. 2, 2020). Then, I will likely take part two in June and July (both parts will include some study leave/vacation as well).

I'm excited about the creative space and spiritual rejuvenation this time will allow. While our church doesn't require a dedicated project or proposal from pastors on sabbatical, my goals include rest and replenishment, spiritual discipline, artistic expression, time to dedicate to relationships, and travel (Arizona, So. Cal, Hawaii, and Austin in Feb; summer travel TBD).

My roles and responsibilities here at First Church will be covered collaboratively by other staff and congregation members, guest preachers, and some intentional sabbatical coverage by church members and UCC ministers Rev. Sheryl Johnson and Member-in-Discernment the-almost-Rev. Kelly Colwell. Sheryl will expand her role of Open Chapel Coordinator to include Young Adult Ministry duties in my absence, and both Sheryl and Kelly will offer additional pastoral care support and occasional office hours.

My hope is that I'll return after each leg of this sabbatical with fresh energy, ideas, and eyes, ready to continue to bring my whole self to our shared ministry from a deep and sustainable wellspring. Thank you for offering this meaningful gift to your pastoral staff.

## Did You Know...?

## Committee of Involvement Nominations

Members will be elected at the annual meeting in February. Other positions to be elected include: moderator-elect, at-large church council, delegates, and Long Range Planning members.
