First Church Berkeley, UCC REALM Automated Giving Instructions

Updated September 2022

Here's a how-to for setting up automated giving through our church database, REALM, www.onrealm.org. If you have trouble with the technology on your own, please contact Church Business Manager, Kit Dunbar (*kdunbar@fcch.org*). <u>These instructions have been developed for</u> <u>both new users and existing users. Please</u> refer to appropriate section. Please be assured that REALM has strict security protocols to protect your personal and financial info.

NEW USERS OF REALM:

STEP 1: The church has already created a profile for each of its members and community within the REALM database, so the good news is that you may already have a profile! **However, if you have never logged in to your profile, the first step is to contact Louise Halsey** at *lhalsey@fccb.org* or Kit Dunbar at *kdunbar@fccb.org* to get your email invitation to log in to REALM.

STEP 2: After you receive your email invitation from REALM, you will click on the link in your email to confirm your email and create a password. Then you will receive a second email with a link to log in. You may be asked to verify your phone and birth date. You have the opportunity to upload a photo for your profile. You can change your privacy settings to "Everyone in our church" by clicking on the "Manage Privacy" button (this allows your contact info to be shared with other church members who are also registered, effectively creating an accurate, up to the minute church directory).

Now you are ready to set up automated payments! The next instructions are for both new and existing users of REALM for automated giving.

NEW USERS AND EXISTING USERS TO REALM:

STEP 3: Set up your Giving Level and Payment Mechanism. When you sign in to your REALM account, you'll see this opening page.

1. Click on "Giving" in the left-hand navigation list.

2. On the "Giving" page, click on "+Pledge" to add your pledged sustaining gift.

3. Choose which year you are pledging for (probably 2023). You are welcome to add a pledge for a sustaining gift for the current financial year as well. Just repeat the instructions twice!

4. On the "Pledge Now" page, you can enter **how much you want to give** under "Amount" and the **frequency of your sustaining gift** by clicking "Set a Schedule" and choosing from the options which include once a week, every two weeks, once a month, twice a month, every three months, or annually. You will also select the period of time for your Sustaining Gift. You'll note that it automatically calculates the total gift for the year for your verification. Click "save pledge" to register your plan.

Note: "As Can" means that you will set up gifts as you are able throughout the year on an irregular schedule.

Saving a pledge does not automatically set up online giving, however. If you wish to set up online giving, check the box at the bottom of the screen, which will take you to the giving screen. The giving screen will be auto-filled with the information from your pledge, including an automatic start date of January 1 of next year and an automatic end date of December 31.
